

MILANO FOOTBALL ACADEMY

THE EXPERIENCE

We offer international groups and teams the opportunity to experience a completely customized football trip: academy training sessions with our official Milano Football Academy coaches, matches and tournaments, San Siro Stadium Tour & Museum, live events and other activities in the city of Milano. All this to make your experience absolutely unforgettable.

01.

MFA Training & Matches

We will schedule training session in our Sports Center in Milan, where you will have the chance to live and play through the italian methodology of training with our official Milano Football Academy Coaches.

For each group we will also set up a 2 hours training during the mornings of your experience.

We will also organize Friendlies and tournaments with our Youth Sector teams.

02.

San Siro Tour & Museum

Enter the areas of the stadium normally reserved for players and go through the places that have made the history of football while enjoying a unique perspective. With the exclusive Stadium Tour you can access the San Siro "backstage", discovering a new perspective on your favorite sport.

03.

City Tour

We will organize for the groups a unique tour of Milan, we will give you the opportunity to discover and observe all the monuments and historic squares of our city.

From the Milan cathedral to the Castello Sforzesco, passing through all the historic streets of the city.

An entire afternoon to discover the whole history of Milan.
